RENT-A-YHA

A location for every occasion...

Rent-a-YHA gives your family, friends or group the chance to rent a whole building for a short break. Whether it's a family reunion, special event, or just an excuse to get a group of friends away together, Rent-a-YHA is ideal.

What's included?

Wherever you choose to stay, you'll find safe, clean and comfortable accommodation in rooms sleeping between 2-10 people. Most YHAs provide bed linen, kitchen equipment (crockery, cutlery, tea towels etc), cleaning materials, heating and lighting. Many YHAs also have a selection of board games. The only things you need to bring are towels and yourself (see individual entries for details).

Eco-hostels, former guest-houses, converted country schoolhouses...

There are a wide variety of YHAs in towns, the bush and next to nature settings throughout NSW/ACT. Each YHA has its own special character, giving you the chance to stay in some unique and historic buildings. Choose, for instance, from a former one-teacher school, a purpose built environmentally-friendly property or a hillside cottage accessible by boat.

Exclusive use at reasonable rates...

Rent-a-YHA offers you unbeatable value for money. You will have the YHA to yourselves because you pay for the whole building, and not for each bed, and come and

go as you please. Rates start at \$145 a night and depend on the property and the day of the week (see individual entries for details).

How do I book?

Once you know where you want to stay and how many are in your group, call the YHA you want to stay at direct. Rent-a-YHA is particularly popular at weekends, during school holidays and Christmas and New Year so it's advisable to book early to avoid disappointment.

Do I need to be a member?

There are two ways you can Rent-a-YHA. Firstly, have at least one member of the party (preferably the person making the booking) be an adult member of YHA (you can join online at yha.com.au).

The second option is to have your group register as a YHA group member. If your group is of ten or more and is a registered, sporting, social, educational or recreational group, you may be eligible for YHA group membership. This can be obtained through the YHA Membership & Travel Centre, ph: (02) 9261 1111.

Which YHAs can be booked exclusively?

Currently you can Rent-a-YHA at eight locations in NSW/ACT. Their location, capacity, rates and contact details are shown in the table that follows.
