WILDERNESS COTTAGES

About

"Rent-A-YHA" wilderness cottages are located in bushland settings across South Australia within National Parks, Conservation and recreation areas. The hostels are surrounded by abundant native flora and fauna, which allow you to gain a true appreciation of the serenity and beauty of the Australian bush in picturesque settings between 1/2 an hour to 3 hours from the city centre.

Things to see & do

All bush getaways are on easily accessible walking trails such as the famous Heysen, Mawson and Yurrebilla trails. All trails are well marked and vary in length and difficulty. You can also enjoy bike riding, wine tasting, wildlife spotting, or just relax and read your book. Other attractions you'll find near the hostels are Cleland Wildlife Park, Mt Lofty Botanic Gardens, Warrawong Wildlife Sanctuary and Hahndorf, wineries, Mt Remarkable & more.

Facilities

All properties are equipped for your weekend away with basic kitchen and dining facilities, heating, showers and toilets. There are no TVs, telephones or stereos so be prepared to rediscover the lost art of conversation!

SPECIAL RESTRICTIONS APPLY DURING FIREBAN SEASON. RENT A YHA COTTAGES ARE BOOKED ON EXCLUSIVE USE BASIS
