### ADVERTISE WITH YHA

The Free YHA Australia Map and Hostel Guide is YHA's flagship piece of print marketing collateral – and in 2018, it's bigger and better than ever.

This year, YHA is doubling the size of the map and printing it twice a year, with 100,000 copies published every six months and distributed throughout our domestic and international network.

YHA's primary print publication is available in both English and Chinese, and includes an easy-to-follow map, info about all of our 70-plus hostels around Australia, as well as handy travel tips for backpackers travelling around Australia.

The new map will also be featured online at yha.com.au, with direct links to hostels and our advertising partners.

The Free YHA Australia Map and Hostel Guide presents the perfect opportunity for YHA Australia to promote our key partners to our guests as they're planning their trip Down Under.

## WHY TRAVELLERS LOVE OUR MAPS

"The maps are extremely popular with our international backpackers. It's often the first time they've seen a map that's not on a computer or phone screen, and it gives them a good understanding of the size of the country to plan their travels and take the map with them on their journey." Manager of Sydney Central YHA, 2018

"It's an easy-to-carry and easy-to-use road map of Australia to plan their trip of a lifetime and, best of all, it's FREE!" Manager of Adelaide Central YHA, 2018
