Cancellation by YHA

YHA reserves the right to terminate a booking without any obligation to pay compensation if there is sufficient cause to believe that the nature of the group's meeting at the property is different than could reasonably have been expected, based on the group's request or on the character of the group, and that YHA would not have entered into the agreement had it known the true nature of the intended meeting. Should YHA choose to exercise this right after such meeting has commenced at the Property, the group's payment for the services rendered to that point will be retained and the balance paid will be refunded.
